Old is Gold! Photo gallery for the classic Vespa 400

**A picture gallery that takes a close-up looks at the beauty of one of the most loved cars of all times.**

For some of you, these pictures might remind you of good old days. For the younger viewers, the automobiles were always beautiful. Technology might make you move faster, but creating designs as beautiful as these required understanding of greater art.

The photo gallery does not just capture a car. It is a photo that represents an era.
