

## Vespa Colour Codes Cracked

Read the attached on how Colin Judd wizard of the paint shop cracked the mysterious Max Meyer paint codes.

The collage consists of several elements:

- Top Left:** A newspaper clipping with columns of text. The text is mostly illegible but appears to be an article related to Vespa.
- Top Right:** A photograph of two red Vespa scooters parked on a white surface.
- Middle:** A photograph of a yellow Vespa scooter parked on a wooden surface.
- Bottom Left:** A section titled "THE 60's CLASSIC" with a sub-heading "PMB-Designed Italian Vespa 150cc". Below this is a photograph of a person in a dark jacket and light-colored pants riding a Vespa scooter.
- Bottom Right:** A column of text, likely a continuation of the article or a related piece of information.
