

## Vespa Colour Codes Cracked

Read the attached on how Colin Judd wizard of the paint shop cracked the mysterious Max Meyer paint codes.

The collage features a newspaper clipping on the left with several columns of text. To the right, there are two photographs: the top one shows two red Vespa scooters mounted on a wall, and the bottom one shows a blue Vespa scooter parked next to a yellow one. Below the newspaper clipping is a section titled "THE 60's CLASSIC" with a sub-heading "PMB-Designed Italian Vespa 150cc". This section includes a small photograph of a person riding a Vespa scooter.
