

Vespa Colour Codes Cracked

Read the attached on how Colin Judd wizard of the paint shop cracked the mysterious Max Meyer paint codes.

The collage consists of several elements: a newspaper clipping on the left with columns of text and a small photo of a scooter; a larger photo in the center showing a red Vespa scooter on a wall and a blue one on a stand; and a magazine page at the bottom left titled "THE 60's CLASSIC" with a Vespa scooter and a person in a hat.
