

Vespa Colour Codes Cracked

Read the attached on how Colin Judd wizard of the paint shop cracked the mysterious Max Meyer paint codes.

The collage features a newspaper clipping on the left with columns of text and a photograph of several scooters in various colors (red, white, blue, yellow) on the right. Below the clipping is a section titled "THE 60's CLASSIC" with a sub-heading "PMB-Designed Italian Vespa 150cc" and a photograph of a person riding a Vespa scooter.
